COMMERCIAL MERGER PRODUCTS

- Twin and triple merger models
Working widths from 24 ft. up to 42 ft.

PRECISION FERTILIZER PRODUCTS

- Accurate, efficient, uniform spreading, and easy to operate and adjust, while maximizing yield potential

SUPPORT AND ONLINE TOOLS

SALES SUPPORT

Our experienced and knowledgeable Territory Managers work with you to increase your sales and profitability, while providing you helpful and friendly service along the way. They are there to help you with order planning and understanding our programs and how KUHN does business as one of your suppliers.

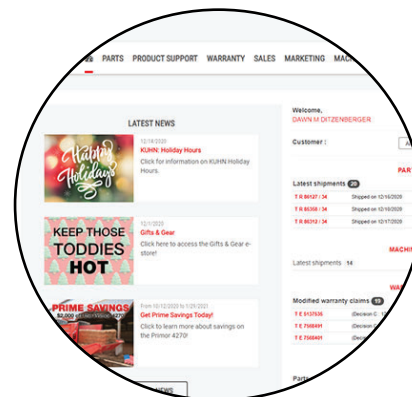

AFTER-SALES SUPPORT

Field Support Representatives are the first resource for your after-sales product needs. These individuals know the product concerns that may be experienced in your area, and work with you to find solutions. They know that a down machine can be costly for your customers, and that's why they are committed to helping you keep your customers running strong all season long.

ONLINE RESOURCES

The KUHN Dealer Portal is our secured access, online site for dealers. This is where you will find a variety of resources at your fingertips. Resources include our KUHN Quote Calculator, e-techdocs, parts ordering and machine pricing. Each employee at your dealership has a unique user ID and password with specific permissions. This feature allows control of what employees see.

SERVICE PARTS

We have quality people in place to serve you, our valued dealers. Moreover, we have the infrastructure to provide dealers with quality service. With factories in Wisconsin and Kansas and regional distribution centers in New York, Tennessee, Washington, and Quebec, KUHN is always close at hand. Dealers can also participate in monthly and annual stocking programs, which offer free freight!

TRAINING

Throughout the year, KUHN offers a variety of sales, service and parts training at the local, regional and corporate levels, as well as online! Our goal is to provide you with the information and tools you and your staff need, so you can comfortably and confidently sell and service our products.

Become a KUHN dealer.... As a leader among implement manufacturers, KUHN offers a wide array of **quality products that can meet the needs of your customers.** Not only do we have a long-standing tradition of producing quality products, but we have the **people and services to support our growing network of independent, hardworking, progressive dealers.**

Services: Gain up-to-date knowledge through monthly newsletters, emails, dealer portal announcements, bulletins, dealer personnel training, demonstrations and social media outlets.

Support: Accessibility to field staff and product support when machines need set-up, demonstrating or down in the field.

Advertising: Choose from custom brochures, individual co-op advertising, signage, posters and more to meet your dealership's promotional needs.

Order Programs: Year-round retail and sales programs that benefit both you and your customers.

Dealer Portal Access: 24/7 access to look up parts, quote machine pricing, place orders, order literature, check order status, submit warranty claims, sign up for training, etc.

Our goal is for our valued dealers to **find success** when it comes to choosing KUHN as a business partner. That's why we are committed to bringing products to market that are **engineered to perform, tested to withstand the toughest operating conditions**, manufactured to **outlast the competition** and marketed as **a quality investment** that your customers can rely on year after year.

If you are interested in joining our network of dealers, we commend you for **choosing quality and adding great value** to the products you want to offer your customers.
